Financial Stability

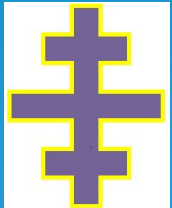

69th Triennium Financial Stability

- Per Capita has not been increased since 2006. In order to not increase per capita and not do any fundraising activities, the following changes will occur:

69th Triennium Financial Stability

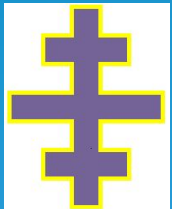

- Department Conferences will no longer have all 6 elected Grand Encampment Officers present. The Grand Master **ONLY** will attend ALL Department Conferences.

69th Triennium

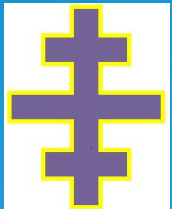

Financial Stability

- Continue to encourage and motivate Sir Knights to receive the KT magazine electronically
- Leadership 101 and 201 will be virtual only. To graduate, 401 will only be done in person

69th Triennium Financial Stability

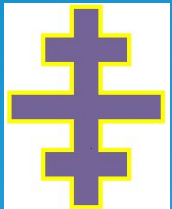

- Will only have one Easter location per year: Washington DC

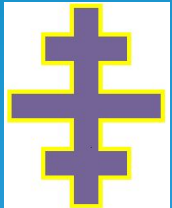

69th Triennium

Financial Stability

- Will continually monitor finances to see if more changes can or need to be made. Goal is to survey the Sir Knights to determine when (not if) to raise per capita; we all need to work together towards this goal.
